Dear Jeff:

Thank you for a most enjoyable afternoon at the Dublin/San Ramon Women's Club 26th Annual Holiday Fantasy & Gala. Your performance was wildly entertaining, and our guest have given high praise on your humor and delivery. It was definitely a highlight in the history of the Club's Holiday Fantasy events.

I also appreciate your professionalism in helping me plan for a new source of entertainment for our Club's largest fund raiser. You were exceptionally easy to work with and quickly responded to my questions. And the fact that you were able to add us to your already busy schedule did not go unnoticed!

Working with you and having you provide the entertainment for our event FAR EXCEEDED my expectations!

Sincerely,
