Dear Jeff,

On behalf of the Hayward Area Recreation & Park District Foundation, I would like to **THANK YOU** for the outstanding performance you provided our guests at our recent ***It Takes Two to Tango*** event!

Jeff, you really are talented professional! You have a tremendous ability to read your audience and capture their attention. You were intuitive, funny and right on point! Our guests enjoyed your humor and your delivery was spot on.

Your interest in learning ahead of time how proceeds for the Tango event would benefit the community demonstrated your commitment to your craft. Guests were very impressed with that, as well as our Foundation Board.

Your magnetic personality on-stage and off truly made our event! I've had the opportunity to work with many celebrities and guest hosts. By far you exceeded all others I have worked with and I certainly hope we can showcase your talents again.

You're a pro! Thank you so much!

Appreciatively,

Pamela Russo  
Executive Director  
HARD Foundation

*You're awesome!  
Thanks!*
