Jeff:

I just wanted to drop a quick note to say thanks for providing the comedic entertainment for our annual Awards Banquet. You delivered exactly what you promised: Clean, fun, and lively entertainment. As you could tell, our group thoroughly enjoyed themselves and I am still getting positive comments about your act.

I appreciate your concern for finding material appropriate for our group, your attention to detail (sound and directions), and your professionalism. The evening went off without a hitch, in no small part due to your act. We look forward to working again with you in the future.

Thanks again!

Regards,
